

Payment Solutions

Dynaflow now has a fast and easy way to acquire your new fume cupboard. Dynaflow Payment Solutions is now available through 3E Advantage Pty Limited for approved applicants.

Fume Cupboard Payment Solution (Rental Plan)

- Term and structure designed to suit your particular requirements and agreed by all parties.
- Payments are made to 3E Advantage throughout the Term of the Rental Agreement.
- At the end of the term, you have various options that can suit your situation at the time e.g. you can extend the Rental Agreement or Upgrade or replace equipment with current technology or offer to purchase the equipment at fair value.

Benefits of Rental

Flexibility

- Finance can usually be catered to your specific needs.
- Structured payments can also be organised, for example paying quarterly, half yearly or upfront payments.
- The budgeting process is also simplified as the payment solution guarantees a fixed payment for the term of the agreement.
- No initial capital expenditure is required, which can simplify the budget approval process. Spreads the cost of the solution over its useful life rather than having to pay for it all upfront.

Compliant and Maintained Installation

- Dynaflow carries the responsibility for a Compliant Installation/Certification and to carry out mandatory maintenance in accordance with Australian standard AS2243.8

Extended Warranty

- If maintenance is included in the Rental Agreement, Dynaflow will extend the Warranty to cover the entire Rental Agreement term (please refer to Dynaflow Warranty Policy).
